Academics-Formation of Cluster Level Graduate Program Committee with Institutes conducting PG programs in Engineering-Nomination of Chairman and Conveners-Orders issued

ACADEMIC SECTION

No: KTU/A/426/2015

Dated, Thiruvananthapuram, 31.03.2015

Read:- Minutes of the Executive Committee meeting held on 30.03.2015 vide agenda EC-001-002

ORDER

Kerala Technological University has decided to introduce cluster autonomy for the conduct of the M.Tech programme, which is a novel scheme. The idea of the cluster autonomy has been discussed in a recent Workshop coordinated by the AICTE, World Bank and MHRD at Bangalore on 9th January 2015. This will be a first step towards granting autonomy to individual institutions. Each cluster will have approximately 10 to 15 colleges and these colleges will be identified based on their geographical location. The Cluster of colleges will have to formulate procedures for the smooth conduct of all academic activities associated with M.Tech programme in line with the regulations of the University. These clusters can have academic autonomy regulated by the Cluster Level Graduate Program Committee (CGPC) consisting of all Principals of the colleges in the cluster. CGPC shall have a Chairman nominated by the Vice Chancellor of the University and a Convener selected by the CGPC. CGPC will be responsible for all academic matters on Curriculum, Syllabus, Course Plan, Internal Evaluation, Semester Examination, Grading, as well as result declaration for the streams of M.Tech program offered by the colleges in the cluster.

As per ref read above, sanction is here by accorded for the formation of Cluster Level Graduate Program Committee (CGPC) as appended as Annexure A and nomination of Chairman and Conveners for the CGPC.

This has the approval of Executive Committee of KTU.
