

File Ref.No.KTU/ASST(ACADEMIC)/393/2020

**APJ Abdul Kalam Technological University
Thiruvananthapuram**

Abstract

APJAKTU - Accreditation of course - Artificial Intelligence and Machine Learning - Elective course for all branches / semesters - Orders issued.

ACADEMIC SECTION

U.O.No. 176/2020/KTU

Thiruvananthapuram, Dated: 30.01.2020

Read:-Government communication no.J3/259/2019/HEdn dated 11/01/2020.

ORDER

As per the communication read above, it was informed that the skilling programme titled "Artificial Intelligence and Machine Learning" offered by ASAP and executed to the students in various colleges affiliated to the University is accredited by NSDA as a level 8 course. Considering the alignment of the course with National Skill Qualification Framework (NSQF), the present day relevance in the technical industry, the interdisciplinary competency offered through the programme and its job potential, orders are issued by the Hon'ble Vice Chancellor invoking 14(5) of the APJ Abdul Kalam Technological University Act 2015 to accredit the various courses under 'Artificial Intelligence and Machine Learning' programme offered by ASAP to the students of various affiliated colleges of the University.

The details regarding the credit allocation of the courses under the programme will be worked out and published shortly.

Orders are issued accordingly.
