Circular

The University is in receipt of many queries from Heads of Institutions related with the requests for "postponement" of examinations. It is stated that a section of students, as usual, spreads a message that the schedule of Examinations will be revisited by the University soon.

This is to inform all concerned that the Academic Calender and Schedule of Examinations are finalised after detailed discussions in the academic and administrative bodies of the University. Once the schedule of examinations is published it is our responsibility to make sure that it is being implemented scrupulously.

So this is to clarify once again that there is NO CHANGE either in the proposed schedule of examinations nor in its mode of conduct.
