Ref :- 1. Status Report on Student Registration.

It has come to the notice of the University that nearly half of the Institutions were unable to complete the process of student registration for even semesters within the stipulated time-limit of 19.01.2018. The University is also in receipt of requests from Institutions to enable them complete the process.

Considering the same it is hereby informed that the portal for student registration will be open from 26 February 2018 to 03 March 2018. The Institutions are requested to make a systematic, earnest effort to complete the process within the said time-frame so that last minute rush and inconvenience on account of heavy network traffic are avoided.
