

UO(NOTE)

Sub:- APJAKTU - Extending time for portal updation to affiliated colleges - updating details pertaining to Inter College transfer - Intimating.

Ref:- 1.Request by IT operations dated 11/08/2020.
2. U.O.(Note) to JD(IT) dated 21/08/2020 issued from the section.

Vide reference cited above, it was informed that mail from affiliated colleges for revoking college transfer/extending date for adding new students, due to payment issues in parent college/rejoin issue are coming to KTU support, even after the cut-off date for doing the updations in the portal, which was 10/08/2020, is over.

Considering the particular situation, **it was decided to extend** the cut-off date, for completing the inter college transfer formalities, in the KTU portal, **till 21/08/2020**, Saturday. U.O.(Note) to JD(IT) was given, to inform the colleges **regarding the extension of time**. But in the U.O.(Note), it was erroneously given as 21/08/2020, Saturday, instead of Friday.

Hence it is clarified that requests from colleges, for revoking and updation of portal related with ICT, can be permitted, **till 21/08/2020, Friday**, and the earlier issued U.O.(Note) stands modified to the extent.
