CIRCULAR

Sub:- APJAKTU - Utilisation of Fee collected for Arts and Sports activities at the time of Admission- Orders issued.

Ref :- Circular No.KTU/A/1461/2015 dated 19/09/2019, issued by this office.

Vide the circular under reference, the utilisation of Rs.500/- collected from students at the time of admission, for the conduct of Arts and Sports events, was furnished as per the decision of the Syndicate held on 29/07/2019. But there was some confusion regarding the utilisation of the amount Rs.150 retained at the colleges , after remitting Rs.350/- to the University Fund. **It is therefore made clear that, from the amount Rs.150/- kept at the college, Rs.100/- is to be utilised for Sports and Games activities of the College and the balance Rs.50/- to be utilised for Arts activities.**

This is for information and necessary action.
