Schedule for conduct of MCA/M.Tech/M.Arch/M.Planning Project/Thesis viva -2020 (Even Semester)

As per the decision of the academic council on 19/5/2020, evaluation of final semester projects can be conducted, based on interim results, review, survey, simulation, software- driven, or secondary-data based, considering the difficulty in doing laboratory based experiments and field/survey-based assignments. Evaluation of the projects shall be performed internally at respective institutions, by allotting internal examiners, preferably by video conference. Instead of external examiners, internal examiners mapped to the M.Tech students, for the purpose of mark entry in the portal, will have to be approved by the university. External examiners already mapped to the students will be revoked by the university. The lock down period will be considered as 'deemed to be present' for the purpose of attendance requirements of students

Sl No	Activity	Remarks	Date
1	Approval of Examiners by KTU (Internal)	Examiners mapped to the M.Tech students will be approved by KTU	Before June 30
2	Appointment of the Examiners (Internal)	Appointment of examiners has to be done by the principals based on the approval of university	1-7 July
3	Internal Marks/Attendance Submission by college	Project internal marks, committee marks and attendance for project phase 1 and phase 2 can be done from the faculty login, reviewed by the staff advisor and submitted by the principal	24-28 July
4	Approval of Project Report by Internal supervisor	Project report of eligible students can be approved/rejected by the internal supervisor	Last date- July 30
5	Conduct of Viva and mark entry by examiner	After the viva, external mark entry for the students can be done by the examiner	1-7 August
6	Result processing and Publishing By KTU	Result will be processed and published in the website by KTU	August 15
