Signature

Instruction to Candidates

1. Photo ID card and Admit card are to be produced in the examination hall. **Page 2 of the Admit card should be attached along with the question booklet.**
2. Please be seated 15 minutes before the commencement of examination in the hall.
3. Scientific calculators (not programmable) are allowed. Mobile communication devices are not permitted.
4. Put '✓' mark against the correct choice of answer in the answer sheet only. Use blue/black ink ball point pen for marking the correct choices. Tick '✓' against choices in the question booklet will not be evaluated.
5. More than one marking against an answer - will not be valued.
6. Each correct answer carries 1 mark and each wrong answer reduces 1/4 mark for Part A and all sections in Part B except 'Area of interest'. For 'Area of Interest' in Part B, each correct answer carries 2 marks and each wrong answer reduces 1/2 mark.
- 7. Only, answers corresponding to those sections indicated in admit card Page 2 will be evaluated.**
8. Answer sheets of candidates who have not answered mandatory sections, as indicated in the admit card page-2, will not be evaluated.
9. Do not tear off the answer sheets from the question booklet. Candidates should return the question booklet along with the answer sheets to the invigilator.

Test Exam

ADMIT CARD

Date : 15-02-2020
Time : 10:00 AM-12:00 PM
Roll No : 041920008
Branch : ELECTRONICS AND ALLIED BRANCHES
GATE (or other National Level Eligibility Examination) Score/M.phil/KSCSTE fellowship :
5 Years Teaching Experience : Not Applicable

Exam Sections

Sl No.	Part	Max Marks	
1	Part A (Mandatory)	35	
2	Part B	35	
	Section 0 (Mandatory)	Mathematics	7
	Section 7 (Area Of Interest)	Communication	14
	Section 3	Electromagnetics	7
	Section 5	VLSI and Embedded Systems	7

1. Candidates with a '✓' mark against National Level Eligibility Exam/M.phil/KSCSTE fellowship as marked above have to attempt only part A. The marks obtained out of 35 will be scaled to 70. However they can answer both Part A and Part B as indicated above, in which case the marks will not be scaled up. The best of the two marks will be taken as the final mark.

2. Candidates with a '✓' mark against "5 years teaching experience" as marked above have to attempt part A and only questions pertaining to their area of interest in Part B, indicated above. The marks out of 14 will be scaled to 35 for part B. However they can answer all sections in Part B as specified above in which case the marks will not be scaled up. The best of the two marks will be taken as the final mark.

3. For candidates with '✓' mark in both boxes above, final mark will be the best of '1' and '2' above.
