Sub:- Clarification regarding conduct of practical examination - S3 B.Tech 2019
Scheme - Reg

Ref :- Circular.No. KTU/ASST(ACADEMIC)/2692/2018 Dated: 11.02.2021

University is in receipt of many inquiries from students and staff regarding conduct of practical examinations for third semester B.Tech, 2019 admission batch. The University would like to clarify that practical examinations are to be conducted in offline mode only. However, in this unprecedented situation developed due to Covid-19, in most emergency cases, the Heads of Institutions may allow students another chance to attend lab exams during first week of April 2021. This authority entrusted upon the Heads of Institutions shall only be used in most genuine situations which necessitates a special permission for the same. In such cases, proper documents shall be kept with the Principal/Heads of Departments in support of the special permission. The list of such students signed by the respective HoD and countersigned by the Principal with relevant documents shall be kept separately in the respective department.
