CIRCULAR

Subject:- Fulfilling of eligibility criteria for admission of students to programmes/courses by the institutions affiliated to the University – Ensuring of -Reg

Students are admitted to various programmes/courses conducted by the institutions affiliated to the University by the concerned Head of the Institution/Institution/Management. The University has no role at the time of admission of students to the individual institutions. Thereafter, students have to be registered in the University for the registration to examinations and for the award of degrees/certificates/titles etc. issued by the University.

The Academic Regulations of the APJ Abdul Kalam Technological University provides that students shall fulfill the requirements stipulated by the University/concerned statutory body with regard to admission to various courses/programmes and for registration in the University.

In these circumstances it is hereby informed that all admissions made to various programmes/courses conducted by the institutions affiliated to the University shall be subjected to verification of the stipulated eligibility criteria fixed by the University/concerned statutory body for admission to the said programmes/courses for registration of the students in the University.
