Circular

Sub:- **APJAKTU- Internship during 7th semester of B.Arch Programme- Reg.**

Ref:- (1) Advisory received from Council of Architecture dated 23/04/2020.

(2) Recommendations made by the Curriculum Committee Chairperson.

(3) Request submitted by 6th semester B.Arch students .

Vide reference cited (1) above, the Council of Architecture in the advisory issued on 23/04/2020 , made clear that, in the background of national emergency due to outbreak of COVID19 pandemic and subsequent lockdown, the practical training may be shifted to the last semester or swapped with other semesters.

Vide reference cited (3) above, 6th semester B.Arch students made a request regarding rescheduling of internship training to a later semester, as suggested by the Council of Architecture in the advisory.

Vide reference (2) above, Curriculum Committee chairperson, B.Arch, has recommended that **Practical training in the 7th semester can be done without swapping it with other semesters.** The University Curriculum insists only for 100 working days for Practical training, which is not very difficult to achieve, even if there is a lag before the commencement of the odd semesters, is the main reason cited for the recommendation.

Accordingly all affiliated colleges conducting B.Arch programme are informed that ***the Practical training (Internship) for B.Arch students will be conducted in the seventh semester itself.***
