ASAP/STAKE HOLDER RELATIONS-PM/217/2021

Dated 07.04.2021

Dear Dr. Sadiq,

Sub: Joint efforts for the placement and internship activities of KTU students with ASAP
Kerala

Additional Skill Acquisition Programme Kerala is a Government Company under the Higher Education Department that aims at equipping the youth with industry specific job skills, making them ready for employment. ASAP Kerala has a legacy of imparting NSQF level 4 and higher order skill programs that are in high demand and has job opportunities in the industry. The programme are provided through 16 Community Skill Parks and 66 Skill Development Centers in engineering colleges and 45 polytechnics by partnering with the prominent industry players. ASAP has been recognized by NITI Aayog and ADB as one of the most effective skill providers in the country.

ASAP Kerala has established a structured internship and placement program for the job aspirants who gets skilled through ASAP. There is a dedicated portal for this purpose. ASAP Kerala has received the requirement for a large number of skilled engineering graduates from the prominent industry players recently.

I request you to extend the support of APJ Abdul Kalam Technological University in mobilizing the students who have completed their graduation in 2019 and 2020, through the training and placement officials of their colleges. The eligible candidates may register through the official website of ASAP Kerala (www.asapkerala.gov.in) after the payment of a nominal fee. The registered candidates will be taken through a bridge program that includes life and domain skill modules.

I request you to kindly issue necessary directions to all the colleges under KTU in this regard.

Regards,

Yours sincerely
