Time Table for the following B Tech Examinations (Including Evening Course) - is published herewith.

BTech S1, S3 & S5 April / May 2018 - Supplementary Exams only (Regular & Evening Course)

BTech S2, & S4, April / May 2018 - Regular, Evening Course & Supplementary Exams

BTech S6, April / May 2018 - Regular & Evening Course Exams

It is informed that apart from previous years the supplementary exams of semester 1 to 5 are being conducted along with the regular exams this year. Such an arrangement is made in order to ensure three chances to the failed candidates and to save them from year out system as agreed upon in the discussion conducted with students organisations in the presence of Hon'ble Minister for Education, Govt. of Kerala. In future a candidate who have failed in any subject in any regular exam can appear for the same subject along with regular examination in April / May as a supplementary candidate. There will be no supplementary exams for the failed candidates separately during June/July.

For evening course, examination schedule is along with regular. It is conducted coursewise irrespective of semester.

Notification for supplementary examination registration will be issued separately.
