

Registered Exam center Change Request from Student Login

Introduction

University has provided a new feature called **Registered Exam Center Change** for students to request for a one time change of their exam center **after exam registration**. This document details the steps to be followed by Students for add exam center change request after exam registration is completed.

Viewing Exam Center Change Request Page

Navigation : Exam → Examination → Exam Center Change

The screenshot displays the 'Exam Management' interface. On the left, there is a navigation menu with options: Examinations, Eligibility, Project Work, and Reports. The main content area is titled 'My Exams' and features a header with 'Student', 'Exam', and 'Result' tabs. Below the header, there are two dropdown menus for 'Academic Year' (set to '2019 - 2020') and 'Exam Type' (set to '-Select-'). The main area lists three exam entries:

- B.Tech S8 (Hons) Exam May 2020** (Honours Exam 2019 - 2020) with buttons for 'View/Register Exam Courses', 'Time Table', and 'Eligibility'.
- B.Tech S8 (R,S) Exam May 2020** (End Semester/Honours Exam 2019 - 2020) with buttons for 'View/Register Exam Courses', 'Time Table', 'Eligibility', and a highlighted 'Exam Center Change' button.
- B.Tech S6 (R,S) Exam May 2020** (End Semester/Honours Exam 2019 - 2020) with buttons for 'View/Register Exam Courses', 'Time Table', and 'Eligibility'.

(Screen-1)-Screen where the user can view the **Exam Center Change** icon against an exam definition to add exam center change request.

This **Exam Center Change** button will be visible only if the last date of exam center change request is not over.

Click on **Exam Center Change** button and it will be redirected to a new page called **Exam Center Change Request** as shown in below image.

The screenshot shows the 'Exam Center Change Request' form. The left sidebar contains 'Exam Management' and a menu with 'Examinations', 'Eligibility', 'Project Work', and 'Reports'. The main content area has tabs for 'Student', 'Exam', and 'Result'. The form is titled 'Exam Center Change Request' and includes a 'Back' button. It is organized into sections: 'Student Details' (Name, Register No, Branch: COMPUTER SCIENCE & ENGINEERING, Institution: ADI SHANKARA INSTITUTE OF ENGG AND TECHNOLOGY, Degree: B.Tech (Full Time)), 'Examination Details' (Exam: B.Tech S8 (R,S) Exam May 2020, Current Exam Center: ADI SHANKARA INSTITUTE OF ENGG AND TECHNOLOGY, Current Exam Center Address: SANKAR NAGAR MATTOOR KALADY Kerala Pin code : 683574), 'Choose Exam Center' (with three preference rows), 'My Current Contact Details' (with fields for Current Address, Pin Code, Mobile Number, and Email), 'Additional Info' (Reason For Exam Center Change), and 'Declaration' (checkbox and text). At the bottom right are 'Save' and 'Submit' buttons. A footer at the bottom of the page reads 'Copyright ©APJ Abdul Kalam Technological University 2014.'

(Screen-2)-Screen for add exam center change request

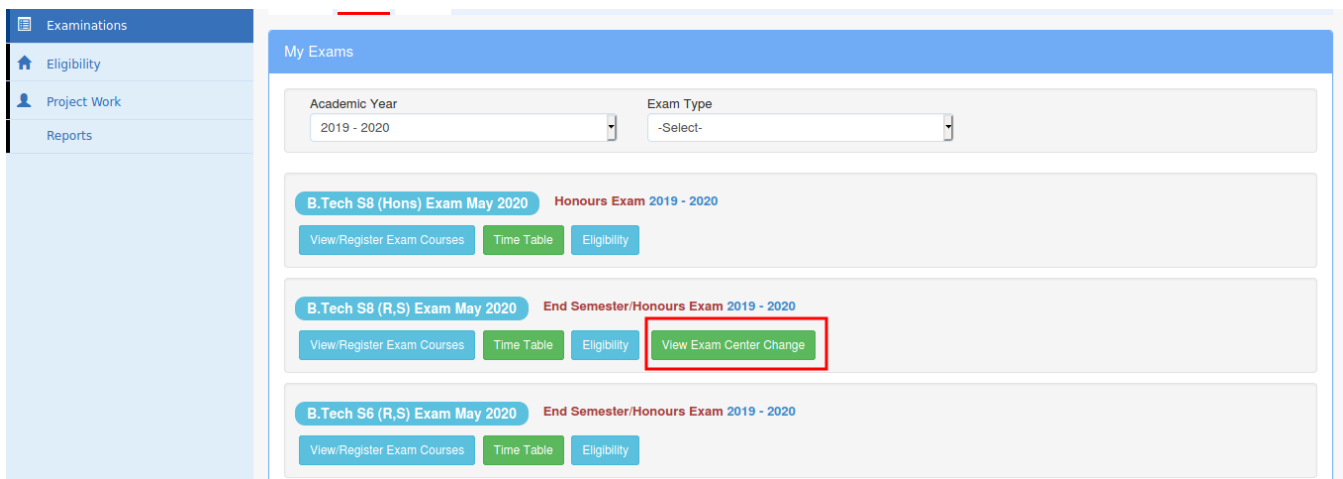

- The above screen is used to add a new Exam center change request. Students can choose a maximum three exam center preferences. Please note that the **First Preference** is a mandatory field.
- The student cannot choose his/her current exam center or an exam center with zero seat allocation as one of preferred exam centers.
- Student should provide his/her current address before save/submit the request.
- Editing the saved exam center change request is possible only till the request is submitted.
- Requesting will be possible only if the student's college has already submitted the exam registration.
- Once the hall ticket is generated for the exam, student will not be able to add exam center change request for that particular exam.

- Before submitting the request, student should accept the declaration.

Once the exam center change request is submitted, students can check the status of the exam center change request by following the below steps.

Viewing Exam Center Change Request Page

Navigation: Exam → Examination → View Exam Center Change

(Screen -3) **View Exam Center Change button** to view the requested exam center change status.

This **View Exam Center Change** will be displayed against an exam definition if the student has submitted the exam center change request against an exam definition.

Click on **View Exam Center Change** button, and it will redirect to a new page called **View Exam Center Change Request** as shown in below image.

In this page, the student can view the details of the exam center change request with its status.

There are four possible status in exam center change request as mention below.

- Submitted → Exam center change request submitted by student.
- Verified → Exam center change request is verified by university/college.
- Approved → Exam center change request is approved by university by selecting an exam center for the student
- Rejected → Exam center change request is rejected by college/university.
