

ANNOUNCEMENT FOR SHORTLISTED ENGINEERING COLLEGES

REVISED SCHEDULE OF PRESENTATION

Name of the work: Expression of Interest (EOI) invited on “Development of an application software for the design of fully automated Community Micro Irrigation System”

Considering the request from the Engineering Colleges, the date of presentation of shortlisted Engineering colleges has been rescheduled to 16/08/2021. Presentation of the proposed design suite may include the following.

1. Highlights of the suite including the user friendliness
2. Modules proposed within the design suite.
3. Standalone modules and details
4. Interface among different modules
5. Working platform
6. Data capturing
7. GIS compatibility
8. Time required and milestones
9. Flexibility for incorporating suggestions from KIIDC
10. Additional toolkits if any.

The revised schedule of the presentation is detailed below.

Sl. No	Name of the College	Date of presentation	Time
1	Saintgits College of Engineering	16/08/2021	11 am to 12 pm
2	Christ College of Engineering	16/08/2021	2 pm to 3 pm
3	Providence Engineering College & School of Busines	16/08/2021	4 pm to 5 pm

The link for the presentation will be shared later.

Chief Engineer, KIIDC
