Hall tickets for Supplementary examinations could be downloaded only after remitting requisite fee by the colleges to the University. In view of the special situation of Covid-19, all colleges are directed to provide provisions to their students for remitting the fee to the college's account through online transfer facilities. Students should not be troubled anyway for paying examination registration fees to the college and their requests should not be delayed. Kindly note that late registrations for supplementary examinations will not be entertained/permitted. However, any unanticipated difficulty related with the registration process due to technical issues may be reported to the University, well before the last date, citing genuine reasons/proof. Such technical issues, if any, related with registration, will be promptly addressed by the university.
