CIRCULAR

Sub:- APJAKTU - Transfer of students from Pinnacle School of Engineering and Technology, Kollam to other affiliated Colleges - Instructions - Reg.

Ref :- Letter dated 29-11-2017, from the Manager, Pinnacle School of Engineering and Technology, Anchal, Kollam.

The Management of the Pinnacle School of Engineering and Technology, Kollam in the letter cited has informed their inability to conduct the B.Tech Programmes as per the guidelines of the AICTE and the University.

Hence the University has decided to grant transfer to first and fifth semester students of that Institution to other affiliated Institutions (except Government / Aided Colleges) of their choice. The students shall obtain Transfer Certificate from Pinnacle School of Engineering and Technology and furnish the same along with the application for college transfer attached herewith to the Principal of the College to which transfer is sought.

The Principal(s) concerned shall enter the required details under "**Shift College**" option in the Portal and admit students to the available vacancies and in the appropriate Branch of study as per rules. In the case of students belonging to first Semester Chemical Engineering stream, change of Branch shall also be considered, to minimise hardship to the students. Only those colleges which are authorised to admit students under NRI Quota need grant admission to students admitted under that quota. The process shall be completed as soon as possible so that the students can attend the classes at the newly opted Colleges with effect from 03-01-2018 itself.
