University acknowledges and appreciates the efforts/ professionalism of Placement Officers from Eighty eight colleges who have submitted the student DB on time, in the designated mail id and format, which have been submitted to Infosys within the deadline provided.

Considering the fact that this year has been really tough interms of campus hiring for most of the colleges and keeping in mind the aspirations of students; University will be creating a supplementary consolidated DB and submitting to Infosys for consideration. **However, the final decision on acceptance of the supplementary consolidated DB will be at the discretion of Infosys.**

This decision is being made in the best interest of the students so that they are not penalized for the mistake made by colleges. However, there will be zero tolerance for such errors in future.
