Abstract

KTU - Judgement of Hon. High court of Kerala - dismissal of W.P. (C) No. 9843 of 2021 - Orders issued - Reg.

EXAMINATION

U.O.No. 1098/2021/KTU

Thiruvananthapuram, Dated: 12.07.2021

- Read:-*1. Notification No. KTU/AC1/1409/2021 dated 09.03.2021
2. Various interim orders issued by Hon. High court of Kerala
3. Judgement of Hon. High court of Kerala dated 06-07-2021, W.P. (C) No. 9843 of 2021

ORDER

Admissions to B.Tech 3rd semester Lateral Entry Scheme has to be in accordance with the criteria specified in the prospectus issued by Commissioner of Entrance Examination as per law.

Several managements of private self financing engineering colleges had admitted students for B.Tech Third Semester Lateral Entry Scheme during the academic year 2020-21, who were not included in the rank list published by the Commissioner of Entrance Examination (CEE), violating the provisions in the prospectus prescribed by the CEE. As per the provisions in the prospectus, those students who are admitted to various engineering colleges for the B.Tech Third Semester lateral Entry Scheme not included in the rank list published by the Commissioner of Entrance Examination cannot be admitted by colleges affiliated to the University and hence cannot be permitted to write University examinations.

Although the Hon'ble high court permitted some students admitted thus to appear for the examination through its various interim orders, the court in its judgment dated 06-07-2021 in WPC 9843 of 2021, dismissed the claim for regularizing admission and request for enabling them to write the examination.

Under the circumstances, the University has decided not to permit such students admitted to colleges by the management of private self financing engineering colleges affiliated to the university to appear for the examinations conducted by the university.

Orders are issued accordingly.

This is issued with approval of Hon'ble Vice Chancellor
