Given, the persisting economic slowdown/constraints associated with the pandemic, Government of Kerala Vide Order read 2nd above, directed all Universities, not to impose, any increase, in any type of fees, during the AY 2020-21. Further, the IT section has intimated that the process development for providing digitally signed certificates in the student login would not be completed before September 2020. It is to be noted that as per the UO cited 1st, the fee suggested by the Syndicate is subject to the issuance of

digitally signed provisional certificates and consolidated grade cards in the students login.

In the light of the above, the Hon'ble Vice Chancellor examined the matter in detail and directed to issue the following:-

1. Since the University is unable to provide digitally signed certificates in student login before September, and In the light of GO read 2nd above, it would be inappropriate to collect any additional fee as per UO cited. Since University had not collected any fees for Provisional Certificates and Grade cards last year, status quo need to be maintained this year too. Accordingly, like last year, n o additional fees will be collected from students for Provisional Certificates and Grade Cards this AY 2020-2021 too. Hence, digitally signed Provisional Certificates & Grade Cards will not be made available in the students login ID until further orders. These Certificates (Provisional/Grade Cards) will be printed and disbursed in the same manner like last year.

2. The increase in fees/introduction of new fees suggested in the UO No. 971/2020 dated 09.07.2020 will not be made applicable this AY and stand modified accordingly. The amount remitted by students, if any, consequent to the issuance of UO dated 09.07.2020 till the date shall not be refunded or adjusted towards any other purpose.
