ANNOUNCENCEMENT FOR SHORTLISTED ENGINEERING COLLEGES

Name of the work: Expression of Interest (EOI) invited on "Development of an application software for the design of fully automated Community Micro Irrigation System"

KIIDC is pleased to inform that following engineering colleges have been shortlisted for the project after technical and financial evaluation. A detailed presentation is invited on the method of developing an application software for the design of fully automated Community Micro Irrigation System through online mode. Presentation of the proposed design suite may include the following.

1. Highlights of the suite including the user friendliness
2. Modules proposed within the design suite.
3. Standalone modules and details
4. Interface among different modules
5. Working platform
6. Data capturing
7. GIS compatibility
8. Time required and milestones
9. Flexibility for incorporating suggestions from KIIDC
10. Additional toolkits if any.

The schedule of the presentation is detailed below.

Sl. No	Name of the College	Date of presentation	Time
1	Saintgits College of Engineering	11/08/2021	11 am to 12 pm
2	Christ College of Engineering	11/08/2021	2 pm to 3 pm
3	Providence Engineering College & School of Busines	11/08/2021	4 pm to 5 pm

KIIDC would like to thank all applicants who have applied for the subject project. The link for the presentation will be shared soon.

Chief Engineer, KIIDC
