PRINCIPALS OF ALL AFFILIATED COLLEGES

Dear Sir / Madam,

Sub: B.Tech Seventh Semester Supplementary Examination - Valuation and declaration of results - reg.

APJ Abdul Kalam Technological University value and appreciate the support from your end for the smooth conduct of examinations, amidst COVID-19 pandemic.

The objective of this letter is to appraise you the following facts pertaining to valuation of answer scripts of the Seventh Semester B.Tech Degree Examination (supplementary) conducted on September 2020:

The last written examination of S7 was on 24.09.2020. As per Covid-19 protocols, institutions are to keep answer scripts in their safe custody untouched for 7 days. All precautions were taken for the packing and collection of answer books, transportation of answer books to valuation camps, handling and distribution of answer books in the valuation camps etc. The valuation process was initiated by the University on 22.10.2020. Instructions were given to all CV camps to commence the valuation on 22.10.2020 and complete it before 28.10.2020.

Due to multiple reasons related with Covid-19 propagation coupled with the commencement of the first year admission to B.Tech courses, much progress couldn't be made in the valuation process as reflected in the consolidated status report (refer Annexure I). Further, the University is in receipt of mails from few CV camps citing their inability to continue with the valuation process due to Covid related issues. Many camps were forced to close due to Covid-19 propagation. Few faculty members (in charge of the CV camps) are affected with Covid-19 and are hospitalized. This has necessitated the college authorities to temporarily shutdown the CV camps.

It may also noted that many of our students are having only one or two pending papers in seventh semester. It is true that, Inordinate delay if any, in the publication of S7

supplementary results will result in many of them losing an academic year. Hence, Principals are requested to make alternate arrangements (as far as possible) on an emergency basis to proceed with the valuation process.

We would like to request all Principals and Camp Officials to ***kindly treat this matter as most important*** and make urgent measures to ensure the seamless valuation of the S7 B.Tech Degree Supplementary Examination answer scripts.
