Dated: 21.02.2018

## CIRCULAR

Sub:- APJAKTU - Summer Course for students of B.Tech - Clarification - Issuing of:

Ref :- 1. B.Tech Ordinance.

2. Govt. letter No. J2/325/2017-HEDN dated 02/02/2018

As per B.Tech Ordinance of the University, students who could not earn the required minimum credits at the end of the second or fourth semester have two options to continue with the studies. They may either register again for the courses, when they are offered in the next academic year or attend summer courses in failed courses and write the final examination.

Now, requests are being received on various grounds to conduct summer courses to B.Tech students of fifth semester onwards also.

In view of this it is clarified that for higher semesters, i.e., fifth semester onwards, summer courses are not offered as per the prevailing regulation. Failed students who have less than 45% marks in internal assessments and / or less than 75% attendance have to register again for the course in the regular semester in which it is offered and complete the course as per the regulations and appear for the end semester examination.
