

Call for Judges | CSI InApp International Student Project Awards

APJAKTU is partnering with Computer Society of India (CSI) *for CSI – InApp International Student Project Awards 2021.*

CSI InApp Student Project Awards was established with the intention to recognize and promote students who demonstrate exceptional talent in developing software applications. This is the 10th year of the competition and we are inviting faculty to submit their interest for being part of this competition as a jury member for evaluating the applications. There is unlikely to be any financial remuneration associated with this opportunity

We would like to invite mapped faculty members from *CSE/ IT from KTU affiliated colleges* to be considered as judges for *CSI-Inapp International Student Project Awards 2021*. Faculty members who are interested to apply as Judge for the competition may submit details at <http://tiny.cc/ktucsi-inapp>

Last Date to apply – Feb 20, 2021

The selection of Judges will be based on discretion of CSI-InApp Student Project Awards Committee.
