

## **Webinar on Deep Learning Algorithm used in Automotive Software**

Topic: **Deep Learning Algorithm used in Automotive Software**

Date: **May 4<sup>th</sup> from 4PM to 5 PM IST**

**Speakers:** Mr.Mrinal K. G & Mr. Chethan M, AI Specialists at ACSIA Technologies

This webinar is being conducted in association with ACSIA Technologies <https://acsiatech.com/>

**Registration Link:** <https://tinyurl.com/ktuacsia2>

### **Primary Target Audience**

1. Students from Mechanical / Automotive / Computer Science / Electronics / Electrical branches
2. Faculty members
3. Industry members

### **Expected Outcome**

1. To help understand the significance of Deep Learning Algorithms from an automotive software perspective.

**Industry Attachment Cell**
