Interdisciplinary Co-ordination Committee

Inauguration by

Pro Vice Chancellor
Kerala Technological University

Venue

The Institution of Engineers Hall
Visvesvaraya Bhavan
Opposite Kanakakunu Palace
Thiruvananthapuram 695033

About The Institution of Engineers (India)

The Institution of Engineers (India) is the largest multidisciplinary professional body that encompasses 15 engineering disciplines and gives engineers a global platform to share professional knowledge. IEI has membership strength of more than 0.7 million. Established in 1920, with its headquarters at 8, Gokhale Road, Kolkata 700 020, IEI has served the engineering fraternity for over nine decades. In this period of time it has been inextricably linked with the history of modern-day engineering

In 1935, IEI was incorporated by Royal Charter and remains the only professional body in India to be accorded this honour. Today, its quest for professional excellence has given it a place of pride in almost every prestigious and relevant organization across the globe. IEI functions among professional engineers, academicians and research workers. It provides a vast array of technical, professional and supporting services to the Government, Industries, Academia and the Engineering fraternity, operating from 111 Centres spread across the country. The Institution has established R&D centres at various locations in the country and also provides grant-in-aid to its members and student community to conduct research and development on engineering fields.

IEI conducts Section A & B Examinations in different Engineering disciplines, the successful completion of which is recognized as equivalent to Degree in appropriate field of Engineering and the same is approved by AICTE (Refer Extraordinary Gazette Notification, Part III Section IV published by Government of India dated 6th January 2016) and all the Universities in India & the Ministry of Human Resources Development, Govt. of India. Every year as many as 90000 candidates appear for these exams. For details, please see: www.ieindia.org

About Kerala State Centre

Kerala State Centre (KSC) started functioning from 1947 onwards and has completed 68 years of yeomen services to all Engineers both academic and practicing engineers. There are 5 Local Centres of IEI Kerala State

Centre, at Kochi, Thrissur, Palakkad, Kozhikode and Kollam.

The Kerala State Centre conducts technical talks in every Wednesday without fail for the last 15 years and it is a unique activity. The Kerala State Centre is located in the heart of the Thiruvananthapuram city and access to the State Centre for the Engineers and public are very easy. IEI Kerala State Centre has got a very good technical Library and consisting of various branches of Engineering books and technical periodicals.

The AMIE classes and GATE coaching classes, vacation classes, JTO coaching classes are regularly conducted by the IEI, Kerala State Centre.

The technical workshops, seminars, Technical exhibition, National seminar of various engineering branches are also frequently conducted in this Institution for the benefit of practicing engineers and student community.

About Topic

Pro Vice Chancellor of Kerala Technical University has Kindly consented to inaugurate the workshop

The newly formed Dr APJ Abdul Kalam Technological University in Kerala aims to develop its students as successful professionals to serve as Societal Innovators through Sustainable Development practices. Apart from technical knowledge and skills, the University curriculum is set up for students to develop soft skills, leadership qualities and team spirit in a very excellent manner. They are also brought towards Entrepreneurial capabilities and Societal Commitment. In order to nurture these qualities, which are to be earned by the students during their academic stay at the University to cover extra-curricular and co-curricular activities. This points earned by the student will be indicated in the consolidated academic statement. All students have to earn a minimum of 100 points from various activity segments listed to qualify for the B.Tech Degree and to obtain final certificate. The Dr.A.P.J Abdul Kalam Technological University is entering into its second year in 2016 -17. It is highly

necessary to ensure that every student have to progressively earn activity points in their respective log sheets. The concerned faculties and the staff advisors have the moral responsibility to guide each student to earn activity points in addition to their academic performance to complete the course of study and to become a successful professional.

Kerala State Centre of The Institution of Engineers (India) plans to conduct one day work shop titled "Building up Societal Innovators ". This will aid opportunity to students of B.Tech and M.Tech to present their projects having edge towards Societal Innovations The topics will also aim to propose standardization of the monitoring system for assessment in a progressive manner on non-curricular activities such as : Literary works, Hobby clubs, Quiz or performing arts etc. Involvement with professional bodies, Festival / Technical events, Exhibitions, Sports, games, Industrial visits and Foreign language skills etc. also have its space .These are considered as events within the reach of the students which need to develop along with their academic process. The workshop proposes to design suitable methodology to guide each and every student to perform maximum effort on extra and co-curriculum activities to drive along with result oriented curriculum out puts. The staff advisors / faculties will have provision to present their plan for implementing the Activity Points. The request for the same need to be send to email : pmcnairr@gmail.com . A brief of the plan shall reach before 19-7-16

Pro Vice Chancellor, Kerala Technological University has kindly consented to inaugurate the workshop

Registration Fee

Faculties from Engineering Colleges : Rs.400 /-
Corporate Members of IEI : Free registration

How to Apply

The applicants should send their registration form in the specified format along with DD through Principal or email

For Money Transfer

Account Name :
The Institution of Engineers (India), Kerala State Centre
Account Number : 10347396254
Bank : State Bank of India
Branch : Nanthencode Branch, Thiruvananthapuram
Branch Code : 7898
IFSC Code : SBIN0007898

Demand Draft for Registration fee must be drawn in favour of The Institution of Engineers (India), Kerala State Centre, payable at Thiruvananthapuram on or before 19 th July 2016

Address for Communication for registration
