FACULTY DEVELOPMENT PROGRAMME

ON

**ENERGY CONSERVATION , MANAGEMENT AND
AUDITING**

18th , 19th & 20th December 2017

Sponsored by

**APJ ABDUL KALAM TECHNOLOGICAL
UNIVERSITY**

Organized by

Department of Electrical & Electronics
Engineering

**SREE NARAYANA GURUKULAM COLLEGE
OF ENGINEERING**

Approved by AICTE and affiliated to

APJ Abdul Kalam Technological University

Kadayiruppu P.O. , Ernakulam , Kerala. Pin- 682311

ABOUT THE INSTITUTION

Sree Narayana Gurukulam College of Engineering (SNGCE) established in 2002, has been giving utmost importance to quality education. SNGCE has assumed multiple dimensions, both in the sphere of academics, as well as in infrastructure facilities. This was possible due to far sighted vision of the management, the eminent and dedicated faculty and studious and diligent students. We are continuously observing the developments happening in the real field internationally and always prepared for continuous improvement. The college offers B. Tech courses in Electronics and Communication Engineering, Computer Science and Engineering, Electrical and Electronics Engineering, Mechanical Engineering, Civil Engineering and Naval Architecture and Ship building disciplines. Postgraduate degree courses in all the engineering course and MBA and MCA are also offered for studies in this institution. It is approved by AICTE and affiliated to the APJ Abdul Kalam Technological university, Trivandrum. The institution spread over 25 acres of land in the lush green surroundings of Kadayiruppu village, is situated in the outskirts of the Ernakulam district. It has easy access from the Cochin International Airport and Ernakulam South railway station by road at a distance of 30 km and 22 km respectively.

ABOUT THE DEPARTMENT

The department of Electrical and Electronics Engineering has been functioning since the inception of the college in the year 2002, with an intake student strength of 60. The department is bestowed with highly competent and experienced faculty, possessing a rare combination of experience in industry and teaching. The graduated students of the department had brought laurels to the institution by securing ranks in the university examination as well as coveted positions by way of employment.

PROGRAM OBJECTIVE

The basic objective of the programme is to expose the participants to energy conservation and energy efficiency improvement techniques with real time case studies. The training programme also aims to impart intensive inputs on the scope and methodology of energy audit and energy efficiency evaluation of plant energy systems with case studies and interactive plant visit.

The programme participants are expected to get motivated to appear the BEE national certificate examination for energy managers & energy auditors and to get elevated their professional skill to serve the society in a more effective way.

PROGRAMME SUPPORT

The programme is funded by APJ ABDUL KALAM TECHNOLOGICAL UNIVERSITY, KERALA

RESOURCE PERSONS

Resource persons include experts from Energy Management Center, Govt .of Kerala, NIT's and Industries.

COURSE CONTENTS

Energy conservation techniques
Energy Audit Methods & Tools
Auditing of Domestic Equipments
Energy efficiency in industries
Renewable energy systems
Industrial visits

ELIGIBILITY

Faculty Members of AICTE approved Engineering Colleges are eligible to apply for the workshop. Number of participants is limited to 30.

TRAVELLING ALLOWANCE

No TA/DA will be paid to the participants. Accommodation shall be arranged on request at their own expense.

REGISTRATION FEE

A registration fee of Rs.500 is to be remitted in the form of Cash/Demand Draft in favour of Principal, SNGCE payable at Kolenchery.

HOW TO APPLY

Applicants may send the hardcopy/scanned copy of the duly filled registration form in the given format to the coordinator on before 14th December, 2017. Selected participants will be intimated by email by 16th of December, 2017.
