

3 DAY WORKSHOP

Capacity Development for Engineering Teachers

22 - 24 February 2018

Organized by Dept of Computer Science, Amal Jyothi College of Engineering Kanjirappally in association with Kerala Technological University, ISTE & CCE

About Amal Jyothi

Amal Jyothi College of Engineering has established itself as a benchmark of excellence in technical higher education and research. Founded in 2001 by the Catholic Diocese of Kanjirappally, Amal Jyothi is approved by the AICTE and affiliated to APJ Abdul Kalam Technological University (KTU), Kerala. It is the first new generation engineering college in Kerala with the prestigious NBA accredited departments and the first engineering college in Kerala with the recognition of 'A' grade from NAAC.

About Centre for Continuing Education (CCE)

Centre for Continuing Education (CCE) in AJCE is a venture for creating well qualified and well equipped engineering teachers and research scholars. CCE is mainly focusing on the improvement of the Faculty, Researchers and PG students who are really passionate about teaching and thereby improve their teaching, training and research skills.

About Workshop

The main objective of the workshop is to build the capacity of faculty to design, transact and assess, deliver courses with Educational Technology tools like Open Educational Resources and constructivist pedagogy based Free Open source Moodle-MOOC platform.

The workshop is hosted by Centre for Continuing Education (CCE) of AJCE with coordination from the Dept. of Computer Science & Engg., AJCE and supported by the KTU in association with ISTE Kerala Section.

Objectives

The workshop is envisaged to:

- Creation of digital educational content for effective delivery of courses of higher education by integrating blended and online methods.
- Creation of learning scenarios – a type of lesson preparation through which the faculty will acquire the skills of integrating digital educational materials, digital tools and contemporary teaching and learning methods into their educational practices.

The Workshop comprises of the following topics:

- Teachers as Leader and Communicator
- Mentoring Based on Students Psychology
- MOOCs and flipped classrooms/blended learning
- Working with Moodle
- OER for empowering Teachers
- Tools and practices in empowering student collaboration
- Active Learning in Engineering
- Spoken Tutorial Expertise-an Insight
- TPACK Model

Resource Persons

- Dr Sridhar Iyer, Head, CDEEP Team, IIT Bombay
- Fr Dr P T Joseph, Director, AJCE
- Dr Kalpana Kannan, Project Manager, IIT Bombay
- Dr Thomas George, Chairman, Lead College of Management, Palakkad
- Dr G Santhoshkumar, Professor, CUSAT
- Dr K Thiyagu, Central University of Kerala
- Dr Joshith V P, Central University of Kerala
- Mr M Jayakrishnan Project Research Scientist, IIT Bombay
- Mr Syam Gopi, Amal Jyothi College of Engineering
- Mr Jayakrishna V, Amal Jyothi College of Engineering

Eligibility

Faculties from KTU Affiliated colleges are eligible to apply

Course Fee

The course fee for participation is **Rs 500/-**. This will include tea/working lunch for three days. Accommodation, if required will be charged extra.

Registration

Since the seats are limited to 30, selection criteria will be based on First come first serve basis. 30% of the seats are reserved for in house participants. Interested candidates may register by sending the scanned copy (After the transaction of registration fee) of the duly filled registration form to cce@amaljyothi.ac.in on or before **17th February 2018**. Selected participants will be informed by email on **19th February 2018**.

Payment Mode

NEFT (National Electronic Funds Transfer)

Bank account Number : **0844053000000828**

Bank account name : **CSE AJCE**

Bank Name: **South Indian Bank, Amal Jyothi EC Branch, Kanjirappally**

IFSC code : **SIBL0000844**

Convener

Prof Manoj T Joy, Head, Dept of CSE

Organizing team

Ms Shiney Thomas, Coordinator, CCE

Mr Mathew J Joseph, Coordinator, ISTE

Mr Syam, Gopi, Workshop Coordinator

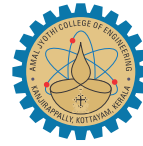

Ms Fabeela Ali Rawther, Workshop Co-Coordinator
