**APJ Abdul Kalam Technological University**

### **THE COLLEGE**

College of Engineering Trivandrum (CET), is one of the oldest, pioneering and premier professional education college in India, was started in 1939 by the erstwhile rulers of Travancore. The College campus at Kulathoor is within the city limits of Thiruvananthapuram, commanding a vast expanse of lush greenery of 85 acres. Accumulated expertise and quality of nearly over eight decades, maintain the status of this institution continuously among the top most percentile. The College is affiliated to A P J Abdul Kalam Technological University (APJAKTU) and the programmes are approved by AICTE. Most of the programmes, offered at CET, have accreditation by National Board of Accreditation (NBA). The college is ranked as 75 in the country by NIRF in 2018.

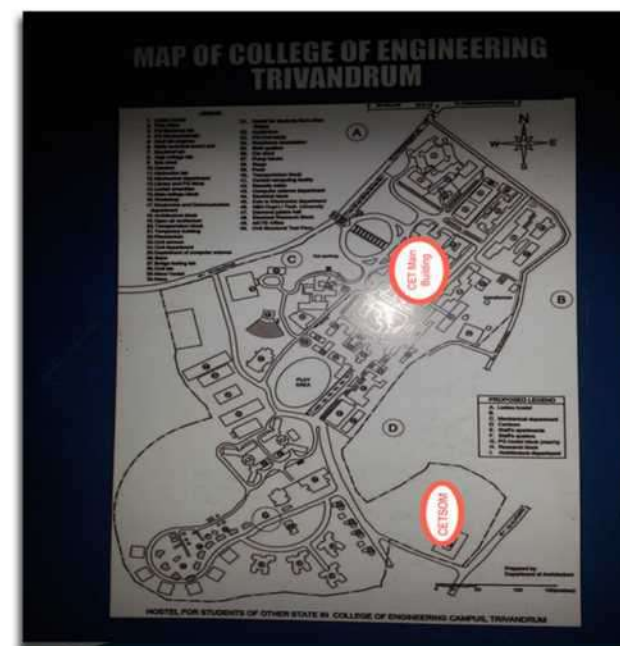

CET provides a healthy platform for courses at undergraduate and postgraduate levels in Management, Basic Sciences, Applied Sciences, Engineering and various emerging disciplines. Eight undergraduate programmes and Twenty Seven post graduate programmes are presently offered in CET. About 1500 students are admitted every year for the undergraduate, postgraduate and research programmes in CET and seventy percent of the students in the college belong to the undergraduate programmes. CET is a recognized institution for research leading to PhD. The Centre for Continuing Education (CCE) and the newly formed Centre for Industrial Training and Sponsored Research (ITC&SR) of the College reinforces and updates the trends and contributes to the upkeep of standards in all fields of specializations through training, consultancy and sponsored research.

The academic Departments of CET are equipped with facilities like smart class rooms, laboratories, workshops, libraries and computer labs. Besides, the students and staff are provided with common facilities like the Central Technical Library and Documentation Centre, Central Computing Facilities, Career Guidance and Placement Unit,

Internet facilities and access to e-books and e-journals. Most of the Departments in CET have established academic/industry linkages with other academic institutions, R&D Centres and industry.

Research activities are given prominence and units like SPEED-IT are dedicated for promoting research in the College. CET is a QIP centre of AICTE and the TrEST Park being set up in the campus is meant to invite the R&D activities of large industrial houses to the campus. The Centre for Faculty and Staff Development (CFSD), established in 2012, conducts training for the quality improvement of the technical education scenario in Kerala. The College is organizing national and international conferences on a regular basis and the faculty members of the college have won several awards and prizes for their academic achievements.

## ABOUT CET SCHOOL OF MANAGEMENT

College of Engineering Trivandrum (CET) started MBA programme in 1985 as an evening programme to enrich the practicing managers in professional management. This programme has been well received by the practicing management fraternity and continues to be in the forefront. A Management School of the current status with full time MBA programme was started in the year 2000. CET is the pioneering institution in management education under APJ Abdul Kalam Technological University (APJAKTU).

Fifteen batches of students have already completed the full-time programme and Twenty Eight Batches have completed the Evening MBA Programme here. CET SOM is set up in a newly constructed block, having state-of-the-art facilities. CETSOM accredited by the National Board of Accreditation (NBA) on September 19, 2013. The Department is in the process of getting the MBA Programme reaccredited. CETSOM is also approved centre for carrying out management research. Around, ten scholars have been awarded PhD in Management from this centre.

## ABOUT THE COURSE

Enterprise Risk Management (ERM) is a comprehensive framework for implementation of risk management practices in organizations. It is a disciplined approach to risk and leads to reduction of risks which are not commensurate with rewards. Growth and survival of an organisation purely depends on its risk management capability. This programme will also focus on Financial Risk Management for skill enhancement and career development of Mid-career Professors at APJAKTU affiliated colleges. Financial Risk Management has emerged as a significant component which necessitates training on the usage of tools used in quantification of financial risk (including market risk, credit risk and operational risk) and the alternatives related to financial risk management. The course structured to enhance the usage of tools and techniques adopting recent market scenario. The course will provide the practitioner's perspective in assessing and managing various kinds of financial risks. It attempts to strike a balance between institutional details, theoretical foundations, and practical applications.

### Program Objectives

- Identify measure and analyze Enterprise Risk, Financial Risk, Interest Rate Risk, Credit Risk, Foreign Exchange Risk, Equity Price Risk and Supply Chain Risk.
- Acquire techniques to manage and control risk in financial markets.
- To augment working knowledge on tools utilized for Financial and Operational Risk Management.

### Methodology

- Interactive lectures and discussions
- Case Studies
- Risk Modelling

### Intended Participants

Faculty members who are interested in Enterprise Risk Management with emphasis on Financial Risk Management of affiliated colleges under APJAKTU.
