

AHALIA HEALTH HERITAGE AND KNOWLEDGE VILLAGE (AHHKV)

Ahalia Health, Heritage & Knowledge Village is a project of Ahalia International Foundation located in an exotic region of Palakkad at the foot of Western Ghats amidst breath taking valleys, verdant paddy fields and the dense herbal gardens, away from the din and bustle of city life. Ahalia Health, Heritage & Knowledge Village, one of the largest edu-health campus in Kerala, offers a perfect blend of nature and technology. The campus is situated 5 kms off the National Highway between Kanjikode and Walayar in Kerala. Coimbatore International Airport is at 1 hour drive (40 kms) and Palakkad (Palghat) Junction railway station is 20 kms away from the campus.

Ahalia Health, Heritage & Knowledge Village is an integrated campus consisting of Ahalia Foundation Eye Hospital, Ahalia Ayurveda Medical College & Hospital, Ahalia Diabetes Hospital, Ahalia Women & Children's Hospital, Ahalia Medicine Manufacturing Unit (Ayurveda), Ahalia Children's Village, Ahalia Heritage Village, Ahalia School of Management, Ahalia School of Optometry, Ahalia School of Engineering & Technology, Ahalia School of Pharmacy, Ahalia School of Paramedical Sciences, Ahalia Public School, IIT Palakkad and more.

AHALIA SCHOOL OF ENGINEERING AND TECHNOLOGY (ASET)

Ahalia School of Engineering & Technology (ASET) was established in the year 2012. The college is located in a lush green campus to the beautiful view of the Western Ghats, and it provides a peaceful and congenial atmosphere, ideal for students for their overall holistic development. Ahalia School of Engineering & Technology offers five B.Tech courses, complemented by various co-curricular and extra-curricular activities. ASET, managed by Ahalia International Foundation, is approved by AICTE, New Delhi and affiliated to A.P.J. Abdul Kalam Technological University.

ABOUT CSE DEPARTMENT

The Department of Computer Science and Engineering is offering a full time four year B.Tech degree programme. The department of CSE was started in the year 2012 with a student intake of 60. The Department has organized many workshops, seminars, guest lectures, symposiums and industrial visits etc. The department is well-equipped with excellent infrastructure, dedicated team of eminent faculty members and laboratories with advanced technology. The department has signed MoU with Redhat academy for training their Students.

VISION

To develop engineers with knowledge and computing skills to become successful in their profession and serve the society.

MISSION

M1 - To practice effective teaching learning methodologies that would ensure the production of quality graduates

M2 - To expose students and faculty to advancements in the field of computer science and engineering through workshops, seminars, industrial collaboration, etc.

M3 - To promote an understanding of other branches of knowledge through interdisciplinary research and projects.

M4- To develop a strong sense of ethics in the students and emphasize awareness about the social and legal issues.

ABOUT THE WORKSHOP

FOSS has the potential of creating an open source culture among the prospective software developers. This workshop aims at creating a basic awareness about the FOSS as well as equipping the students with some of the basic open source platforms like Debian.
