OUR PROFILE

The college was founded by the KMCT (Kunhitharuvai Memorial Charitable Trust), based in Kozhikode in 2001. The KMCT is managed by the Managing Trustee-Founder Dr. K. Moidu. The trust also runs 14 educational institutions including KMCT Medical College, KMCT dental college, KMCT College and School of Nursing, KMCT College of Engineering for Women, KMCT School of Business, KMCT Pharmaceutical College, and KMCT Polytechnic. KMCT College of Engineering offers eight UG courses (B. Tech programmes) as well as three PG courses including MBA, MCA and M.Tech programmes. With its avowed commitment to quality, the college has managed to attract an excellent team of qualified faculty members dedicated to teaching and has setup state-of-the-art facilities providing the right infrastructure for technical education. Over these years, the college has become one of the most preferred Engineering colleges in the state.

VISION

Promoting prosperity of mankind by augmenting human resource capital through quality technical education and training.

MISSION

Accomplish excellence in the field of technical education through education, research and service needs of society.
