Conference

Sarabhai Institute of Science and Technology (SIST) and TECHOWN hosting the 2nd International Conference on Innovative Trends in Science and Technology (ICITST - 2020) to be held on 26th March 2020 in Trivandrum, Kerala. ICITST 2020 Conference provides a great platform for the people who are enthusiastic at sharing their innovative ideas related to technology and provide an excellent international forum for sharing knowledge and their results in theories, technical thesis as a part of their research and elaborate their excellence with various dignitaries, multinational companies and gain the precious suggestions from real time industries, methodology and Applications of Computing. We are pleased to invite you to submit your research paper for presentation at this conference.

About College

Sarabhai Institute of Science and Technology (SIST). Named after the pioneer of Space Science & technology in India, this institute was set up to fulfill a dream of the great visionary, Dr. Vikram. A. Sarabhai to mould high quality experts in frontier engineering disciplines. The High-tech engineering college named "SARABHAI INSTITUTE OF SCIENCE & TECHNOLOGY" is a self-financing institution established by the Space Engineers Welfare Society (SEWELS) with the approval from the Government of Kerala. The campus, "SARABHAI INSTITUTE OF SCIENCE & TECHNOLOGY" is at VELLANAD, a rustic village in the outskirts of Thiruvananthapuram city. A vast stretch of land comprising about 25 acres forms the campus having all the prime infrastructural facilities including hostels, canteen, library, fully-equipped labs, etc. With its scenic beauty and virgin surroundings, this typical location gives the right ambiance for this prestigious institution.

TECHOWN

TECHOWN is one of the largest professional research association meant for innovative and technical development in the field of management, education, engineering and technology. Since, it is a professional association that aims to contribute towards the rapid development and research in the various fields. The institution conducts technical seminars, conferences and workshops. TECHOWN helps the researchers free of cost by providing right direction in their innovative and technical research with the help of its highly educated committee member all around the world. TECHOWN will publish the research article in the high quality peer reviewed journals and proceedings.

About Conference

"International Conference on Innovative Trends in Science and Technology" invites you to share your research with us. The selected and registered papers are encouraged by submitting them for Reputed Journal. We are mainly focused on sharing current innovations and extensions for past models which can be the running wheels for future. We are creating a pleasant platform for you to share your contribution and get good suggestions from our renowned people. As we believe that, one can be projective when they feel their pleasure in expressing their thoughts.
