

Chief Patron:

Sri. G. Sukumaran Nair,
Chairman, Governing Body,
NSS College of Engineering, Palakkad

Patron:

Dr. T. Sudha,
Principal,
NSS College of Engineering, Palakkad

Chairperson :

Dr. Jayalekshmi R,
Professor & Head,
Department of Civil Engineering,
NSS College of Engineering, Palakkad

Coordinators:

Prof. Nisha A S,
Assistant Professor,
Department of Civil Engineering,
NSS College of Engineering,
Palakkad

Dr. Bharati Raj. J,
Assistant Professor,
Department of Civil Engineering,
NSS College of Engineering,
Palakkad

Dr. Keerthy M Simon,
Assistant Professor,
Department of Civil Engineering,
NSS College of Engineering,
Palakkad

REGISTRATION DETAILS

Faculty members, Research scholars and
Professionals working in any area related to Civil
Engineering can apply.

**** NO REGISTRATION FEE****

CLICK ON THE LINK & REGISTER ON OR BEFORE
24th JULY 2020.

SMART CIVIL ENGINEERING PRACTICES TO MEET THE CONTEMPORARY ISSUES

ONLINE FACULTY DEVELOPMENT PROGRAMME
27th JULY – 1st AUGUST 2020

ORGANISED BY
DEPARTMENT OF CIVIL ENGINEERING
NSS COLLEGE OF ENGINEERING, PALAKKAD - 678008

ABOUT US

NSS College of Engineering, Palakkad, one of the oldest engineering educational institutions in Kerala, was founded in 1960 by Nair Service Society under the leadership of the late Bharatha Kesari Mannathu Padmanabhan, during the second five-year plan with the assistance of the Central and State Governments under the Grant-in-Aid Scheme. The college is now affiliated to the APJ Abdul Kalam Technological University, Kerala, offering six B.Tech Programs (Civil Engg., Mechanical Engg., Electrical and Electronics Engg., Instrumentation and Control Engg., Electronics and Communication Engg. and Computer Science Engg.) and five M. Tech Programs. This FDP is being organized as a part of the Diamond Jubilee celebrations of the Institution.

OUR DEPARTMENT

The Department of Civil Engineering was established in 1960 and strives to be one of the best Civil Engineering Departments in Kerala. The department offers B. Tech programme in Civil Engg. and M.Tech programme in Structural Engineering. To provide high quality education and training in Civil Engineering, the department treasures a strong team of sincere and dedicated faculty members, and has all the facilities needed to cater high end training in both theoretical and practical aspects of Civil Engineering. This department is accredited by the National Board of Accreditation (NBA).

VISION

To be recognized as a Centre of Excellence in Civil Engineering Education, Research and Consultancy, contributing to Sustainable Development and growth of the Nation.

MISSION

To provide high quality education in Civil Engineering, inculcating professional, managerial and leadership skills, through appropriate pedagogical and practical inputs for successful career and scholarly endeavors; to meet the changing needs of the society.

OUR MOTTO : “GROW TO SHARE & SHARE TO GROW”

ABOUT THE FDP

The prime goal of the FDP is to enhance the knowledge about the latest developments and smart technologies in the field of Civil Engineering & sustainable infrastructure. The FDP will provide a common platform for professionals, academicians and researchers to share their knowledge and ideas on how to cater the rapid growth of infrastructure using smart and sustainable solutions. It will help the participants to redefine their horizons in recent trends of Civil Engineering technologies leading towards sustainable development and recognizing the areas which require future research.

Eminent professionals and academicians from prestigious institutions share their professional experience and the challenges encountered in their domain expertise. This will enable the participants in getting a better practical exposure and also deliver this knowledge to their students. During this pandemic situation, researchers/faculties can take advantage of this online FDP from their place of convenience.
