The institute has currently 5UG programs in Engineering- Civil, CSE, ECE, EEE, ME and 4 PG programs M.Tech in CSE, Embedded Systems, Power Electronics & Structural Engineering. Our institution is blessed with an exquisite infrastructure exhibited through the well equipped and sophisticated laboratories with an intellectual, talented and dedicated team of staff members striving hard to improve the quality of education with the quality policy to seek, to achieve and never to yield on education resulting in knowledge enhancement, educational and technological upliftment and professional satisfaction.

ABOUT CSE DEPT & CSI Unit VVIT.

Established in 2004 the Dept of Computer Science and Engineering strives to groom professional computer engineers through Association of Computer Engineers (ACE) and CSI VVIT unit to enrich the knowledge of Students and Faculty by providing a forum for the dissemination and exchange of views by academicians and scientists in various related areas of Teaching Learning Process.

ABOUT THE PROGRAMME

Teaching is a Noble profession. However besides, nobility teaching for the next generation demands high level articulation among their instructors and ability to remain in sync with the environment around them. Therefore teachers need to possess emotional intelligence to empathize and solve students' problems. Our goal is to help educators increase their effectiveness in teaching, especially in UG programs, to be better able to guide students on journeys of inquiry and discovery.

OUTCOME:

Help our junior faculty to obtain advanced methodologies related to teaching and researching base with OBE standards, funding Opportunities, Cultivating Universal Human Values, Knowledge sharing by publishing articles & books, enriching own self and the environment they reside linking with their academic peers.
