ABOUT THE COLLEGE

College of Engineering Karunagappally is a premier institute of engineering that has carved a niche for itself in the field of technical education in a very short span of time. Since its inception in 2000, under the aegis of IHRD, the college has made its presence felt in the technical horizon of the state. It has been affiliated to APJ Abdul Kalam Technological University and approved by All India Council for Technical Education (AICTE). Being located in Karunagappally, Kollam district, the college has got access to all means of transport, communication and lodging facilities. Two of our B.Tech programs, Computer Science & Engg and Electronics and Communication Engg. courses were accredited by the NBA.

ABOUT THE DEPARTMENT

The CSE Department offers premier professional training with an eye on the modern development in Computer Science offering 4 year B.Tech degree course in Computer Science & Engineering and 2 year MTech course in Computer Science with specialization in Image Processing. The department owns versatile and powerful computing facilities. The curriculum is

harmonically tuned with today's hardware and software industry. It is an outstanding department and got three year accreditation by NBA for the B. Tech computer science and engineering program.

VISION OF THE DEPARTMENT

Transform individuals into professionally competent and socially committed Computer Engineers.

MISSION OF THE DEPARTMENT

- Enlighten the individuals with the advancements in computing through innovative teaching learning methodologies.
- Motivate the students for creative interaction with industry and for the active involvement in co-curricular and extracurricular activities.
- Impart research culture among faculty and students for the advancement of state-of-the-art technologies in computer science and related disciplines.
- Inculcate ethics and social values in individuals to transform them into responsible citizens.
