

OUTCOME BASED EDUCATION WITH ASSESSMENT AND EVALUATION

APJ Abdul Kalam Technological University

Sponsored

**5 DAYS FACULTY DEVELOPMENT
PROGRAMME**

JULY 26 TO 30, 2021

Organized By

**DEPARTMENT OF ELECTRONICS AND COMMUNICATION ENGINEERING (ECE),
SAHRDAYA COLLEGE OF ENGINEERING AND TECHNOLOGY, KODAKARA**

Sahrdaya College of Engineering & Technology

Sahrdaya College of Engineering and Technology (Sahrdaya), was established in 2002, and is promoted by the Irinjalakuda Diocesan Education Trust, is an ISO 9001:2015 certified Institution. Sahrdaya also holds accreditation from NAAC and Institution of Engineers (India), which is considered as one of the fastest-growing Engineering Colleges in Kerala with recognition from the Department of Scientific and Industrial Research (DSIR) of Govt. of India as Scientific and Industrial Research Organization (SIRO). State-of-the-art infrastructure of the institute spread over 45 acres green campus with a total built-up area of 57854 sq.m.

Department of Electronics and Communication Engineering

The Department of ECE has excellent infrastructural facilities. All the laboratories in the Department are equipped to satisfy the norms laid by AICTE and the APJ Abdul Kalam Technological University. The main objective of the department right from its inception has been to provide high quality training in various fields of Electronics & Communication Engineering. Along with the UG programme, the Department also offers M Tech in Embedded Systems and PhD in Signal-Image Processing.

Department Vision:

To evolve as a Center of Excellence in Electronics and Communication Engineering that moulds technically sound, socially responsible technocrats.

Department Mission:

1. Provide excellent academic and practical environment that transforms students to be knowledgeable, skilled, innovative and entrepreneurial professionals.
2. Collaborate with industries around the globe to strengthen innovation and research environment.
3. Practice and promote high standards of professional ethics, good discipline and social responsibility with a passion for complete excellence.

About the FDP

The APJ Abdul Kalam Technological University Sponsored FDP emphasizes on various aspects of teaching effectiveness to be explored within the changing dynamics of the educational environment. The five day programme is intended to give an introduction to the outcome based teaching and learning process where the main objective is creating a paradigm shift in the mindset of a teacher in relation to his approach, activities and attitude to teaching. Our emphasis is going to facilitate the teacher to realize this change and open up the thinking process to understand the avenues available for this purpose.

Resource Persons:

The Topics Covered Include:

- Overview of Outcome Based Education
- NBA Accreditation Processes
- CO attainment process.
- PO/PSO attainment process
- Pedagogy in Content Delivery
- Bloom's Taxonomy and Design of Learning Outcomes
- How and how much difference can a teacher make
- Learning outcomes
- Recipe for effective and efficient teaching
- Active cooperative learning
- Assessment

FDP COORDINATOR

Dr. G R Gnana King (Associate Professor),
+91 9488883786, gnanaking@sahrdaya.ac.in

ADVISORY COMMITTEE

Rev. Fr. George Pareman, Exe. Director
Dr. Elizabeth Elias, Director
Dr. Nixon Kuruvila, Principal
Dr. Sudha George Valavi, Joint Director
Dr. Vishnu Rajan, HOD-ECE

REGISTRATION

Last Date for Registration : 20-07-2021

Link for registration:
